## The Ordinary Sleeper—A New Feature in Western Travel.

The Pullman Company now operates two grades of sleeping cars via the Rio Grande Western Railway. The ordinary sleepers are entirely new, and the berths, both upper and lower, are fitted up complete with mattresses, blankets, sheets, pillows, curtains, etc., with stoves arranged for making tea, coffee, etc., requiring nothing to be furnished by passengers. Uniformed Pullman porters are in charge of the cars, who are required to keep them in good order and attend to the wants and comforts of passengers. The cars are permitted to occupy these cars on payment of the Pullman berth rates, which are less than half of the rates charged in the regular palace sleeping cars.

The ordinary sleepers are carried daily on trains via Rio Grande Western Railway between Denver and San Francisco and Portland. On five days in each week the sleepers are run through between Los Angeles and San Francisco, or Portland and Denver, Omaha, Chicago and Boston.

For additional details write for copy of folder to J. D. Mansfield, 233 Washington St., Portland; or Geo. W. Heintz, Acting General Passenger Agent, Salt Lake City.
